Please see comments below by the Controlling Board President.

Not sure if this is an item we should spend our political capital when we have many other items that will need CB approval.

Best Regards

Hello,

I have routed DOH0100400 to be included on the 9/25 agenda. I do not have a high level of confidence that this item will be viewed favorably by the CB members. I would ask ODH to have the

appropriate people reach out and brief the CB members before the meeting.

Please keep me updated on how your member meetings are going.

Thanks
Christine

Christine,

I am still working through this but wanted to forward it to you anyways. Here is DOH's information regarding the current Browns contract CB request. I will finish reading all of this and touch base with you later in the week. If you have any questions before then, please let me know.

Thanks,
Nick

Nick and Florel,

Attached and below is additional information about the Browns contract waiver request. Please keep in mind some of the timeframes mentioned on the "ODH White Paper – Flu Campaign" doc may have to change. If you want to discuss further, it may make sense to set up a call with myself, Paul, and the relevant program staff.

Thanks,
Anthony
