It does not help.

We would like to know the PO # and amount for SFY17 GRF 418 for Browns campaign. It should be \$150,000.00, right?

Thank you,

Alisa

Importance: High

Melanie,

I'm sure you have this, as we already discussed how we would pay, but I'm worried there is some confusion, as your calling it Browns Flu Campaign, and I thought we had separated the campaign. I don't think I heard back from you on this.

Was this also for the Adolescent Browns campaign?

If so, we need to make sure we use GRF for part of it.

Hey John,

Can you send me the funding line information that I would need for the Browns Flu campaign? I am starting on that contract now as well.

Thanks,

Melanie Amato
