Can you go ahead and push that through so it is started? We ethically can't start the campaign until we have one.

Thanks,
Melanie

Melanie,

We are okay with the campaign. The only thought or input I have is that we might want to consider extending past the 1/27/18 date, even if just for the first week of February.

Thanks

Hi John,

I've spoken to Singleton and here is the media brief and estimate for the flu campaign. If approved, can you please start the process of getting the PO sent over? Thanks!

Colin
